

## PARENT PAYMENT SCHEDULES

### IMPROVE EFFICIENCY, GET PAID FASTER AND REDUCE FINANCIAL ADMINISTRATION

Encourage parents to be more proactive in managing their accounts and cut operational effort for your school's Finance Team with Parent Payment Schedules and School EasyPay processing.

### HOW DO PAYMENT SCHEDULES BENEFIT MY SCHOOL?

#### EFFICIENCY

With parents opting for automation, you can redirect the energy and productivity of your Finance Team.

#### AUTOMATION

Payment automation helps parents consistently pay on time, and pay the correct amount.

#### CONTROL

Only you know what works for your school, so you should decide what options to offer parents.

### FOR FINANCE TEAMS

The automated system provides school Finance Teams with 'set and forget' billing runs and predictable, trackable income - streamlining your school's fee collections with automatic processing and communication to parents.

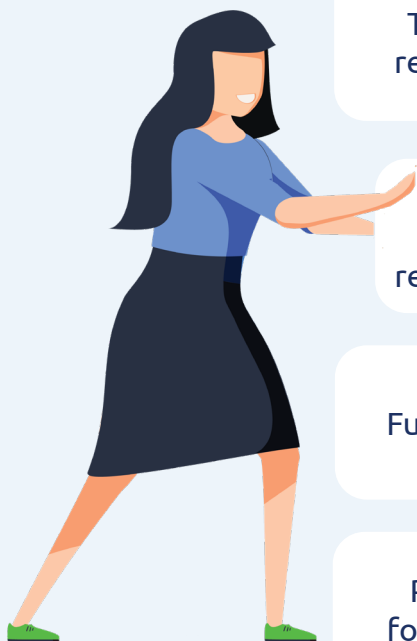

### FOR PARENTS

The automated system provides parents with easy and secure online setup - giving them the autonomy to choose their preferred payment option, select a schedule that suits them and set up a direct debit so that they never forget a payment.

## WITH PARENT PAYMENT SCHEDULES, YOU CAN...

### Collect fees quicker and easier

Automated schedules reduce late payments and bad debts, and improve cash flow and efficiency.

### Improve security

The solution is PCI compliant, removing the need to receive or store card or account details locally at your school.

### Communicate better

Automate communication with personalised payment reminders, without the hassle of drafting individual emails.

### Keep your existing bank

Funds are deposited into your existing bank accounts - no need to change.

### Improve forecasting

Payment schedule automation provides consistent, foreseeable income - improving cashflow and financial forecasting.

## A SEAMLESS WORKFLOW - FROM PLANNING TO PAYMENT

Create and configure your  
Payment Schedule 'Frequencies'  
i.e. Weekly, Monthly etc.

Automated Communication begins  
and School EasyPay payment  
processing commences.

Payments are tracked through the  
Payment Schedules Dashboard.

Parents access Statements and  
set up their Payment Methods and  
Schedules within the Parent Portal.

Payments are automatically  
received and receipted directly in  
TASS.

Future incomes are forecasted with  
Reporting options.
